Today, I want to tell you about my book. Look at this. I got this when I was four. My father bought this for me.

This book is written in English. I didn't understand English, but I enjoyed the story by seeing the beautiful pictures in this. I liked this book so much. I asked my father to read this to me many times. My father was busy, but he often read this to me. I enjoyed talking with my father about this. This book is very important to me. Also, he sometimes took me to the library, and I borrowed many books from the library. Now, I enjoy learning from books.

In the future, I want to work at a library. I hope that children can learn a lot from books. Thank you for listening.
