Hi, everyone, it's time for shopping. I'm Mary. Today is a special shopping day!

Today, I brought a new sports bag. It's bigger and stronger than the bag we sold before, so you can put a lot of things in it. My son is in the tennis club, and uses this bag when he goes to school. He puts so many things in it, for example, books, notebooks, dictionaries, T-shirts and many other things. It is very good for students.

Also, you can easily wash it by hand and keep it clean.

Last time, we only had black and blue colors for the bag, but this time, we have three other colors, red, green, and brown, so you can choose your favorite one from these five colors. You can see the colors on the Internet.

Now, do you want to know how much it is? It's usually 50 dollars, but today is a special shopping day, so it's only 40 dollars! If you buy two, it's only 75 dollars! How wonderful! Please call 01 234 now. You can buy one on the Internet, too. I'm sure you'll like it!
